## YOU SHOULD TRY IT THIS MONTH

Hello, VITians!

I hope you're doing well. The **ACM VIT-AP** is back with our next event. Guess what?

Have you heard about DeepMind's AlphaZero?

It is an AI programme that trounced world champions and chess engines!

Have you ever wondered how it works?

So here we are, with a guide on creating an AI bot to play a game. Learn how to leverage Microsoft Cognitive Services for extensive image recognition and Artificial Intelligence ideas to create an AI that plays a basic game.

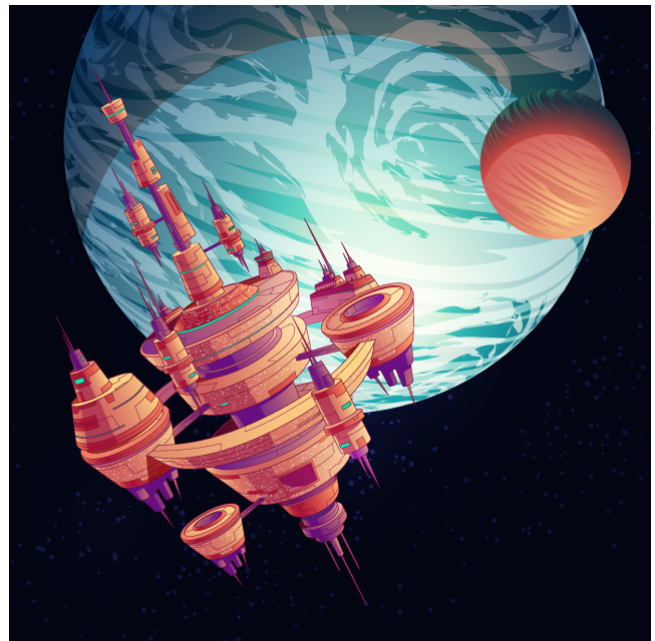

**Microsoft AI is providing Limited Seats of just 250,  
So hurry up!!! You will be directly receiving certificates from the  
microsoft ai**
